Annual HCC Homecoming - September 9

Homecoming is a special annual service held by many Southern churches to give members who have moved away an opportunity to come together with their old church family, to worship together and share a traditional dinner. HCC embraces this tradition every year about the time that foot ball is back in season and the kids are back in school. This year is no different than any other. We will worship the Lord in song with "Double Portion". A band that has one of our own, Gail Evans, within. We will also be hearing God's word from guest speaker, Bud Gentry. The services will begin at 10:00 AM with a meal after services at 1 PM. We welcome you to come join us in our celebration

And he did not permit him but said to him, "Go home to your friends and tell them how much the Lord has done for you, and how he has had mercy on you." Mark 5:19

Ministry Focus

A journey through God's story (the upper story) will show that our story (the lower story) intertwine together to make a perfect story. In the beginning of *The Story*, God walked with his first children in a beautiful garden...in harmonious relationship. At the end of *The Story*, he will walk with us again, in a beautiful garden. (Frazee, R., 2016, *The Story - Getting to the heart of God's story*, Grand Rapids, MI, Zondervan) We will meet together in bible study and prayer for 31 chapters to see how God is making "all things work together for the good of all who are called according to His purpose. (Romans 8:28, NIV) Come join us on Wednesday nights to get closer to Him for a grander purpose with meaning and walk in His Story.

All day, every day, an invisible war rages around you — unseen, unheard, yet felt throughout every aspect of your life. A devoted, devilish enemy seeks to wreak havoc on everything that matters to you: your heart, your mind, your marriage, your children, your relationships, your resilience, your dreams, your destiny. But his battle plan depends on catching you unaware and unarmed. If you're tired of being pushed around and caught with your guard down, this study is for you. This seven session bible study will begin on September 22 at 10 AM. See Angie Williams for more information.

Inspiration

There are several worries we have for the children in our lives as they embark on a new school year. They encounter many snares that make or break them. From school lock-downs to bullying to emotional hurts to ... you name it. The most important thing you can do is to pray. Jesus tells his disciples in Luke 8:1 to "always pray and never give up." The most powerful way to pray is by quoting God's word. In Deuteronomy 5:1, Moses tells Israel to learn the laws and follow them. We want our educators to teach our children sound lessons so they can apply them in their lives as they age. Teachers have a tough job to give knowledge and students are there to learn this knowledge in cramped classrooms. They are thinking about lunch and when they are going to get to talk with their friends or other things. They are also picking up other information that may not be positive for their ears to hear. This world is broken and we need to send prayers to God for his blessings upon all individuals involved in the process we call education. PRAY...

1. Against physical harm.
2. That the schools fulfill it's purpose - giving your child an education.
3. Over your child's influences, innocence and protect them from the darkness of this world.
4. Blessings for Teachers to fight back their own fears for the sake of the children.
5. Protect them from the devil's schemes.
6. For our children to have friends and that they uplift each other.
7. That they stand up for Jesus and what He has done for them.
8. For the bus drivers to drive safely and unhindered
9. For custodians and lunchroom staff to be patient when children are in their presence.
10. The school board and administration. That they have the interests of your children close to their hearts and not a specific agenda.

Then, give thanks. Thank the children and be proud when they do well. Thank the teachers, custodians, lunch room staff, bus drivers, other parents, administration, board members, sports coaches, security officers and any one else that has interaction with your child. Lastly and MOST importantly, Thank your Father in Heaven. He is all and sustains all. Give him the glory for your child's successes and failures. Give thanks to the LORD, for he is good. His love endures forever. Psalm 136:1

Thanks to all who joined in the annual prayer walk for Carter County Schools.

...a time to laugh... Ecc. 3:4

When Mom's don't get it...

A mom texts, "Hi! Son, what does IDK, LY, & TTYL mean?" He texts back, "I Don't Know, Love You, & Talk To You Later." The mom texts him, "It's ok, don't worry about it. I'll ask your sister, love you too."

A guy took his blonde girlfriend to her first football game. They had great seats right behind their team's bench. After the game, he asked her how she liked the experience. "Oh, I really liked it," she replied, " but I just couldn't understand why they were killing each other over 25 cents." Dumbfounded, her date asked, "What do you mean?" "Well, they flipped a coin, one team got it, and then for the rest of the game, all they kept screaming was, 'Get the quarterback! Get the quarterback!' I'm like, hello? It's only 25 cents!"

If you have been around HCC lately you are hearing the excitement of the many things going on. Our CIA program has been overhauled and renamed. CIA (Christians in Action) is now SLAM!, which stands for **Serve God, Love Others, And Make a difference**. Look at the Article for SLAM for all of the fantastic changes, which I am 100% confident will provide a fantastic environment for students to encounter God and His word like never before! On Wednesday nights we have started "the Story" with all age groups here at HCC, so we can "Read the Story" and "Experience the Bible" in a way that is engaging to all ages. 39 of us went to Rock The Smokies and enjoyed the time of fellowship and worship. We have a new HCC app to help you keep up to date with what is going on here at HCC. It's all exciting, and I have only named four of the great happenings here at HCC. Christ is allowing us to make great things happen here at HCC, we hope you are a part of all the excitement!

For His Glory,

Jeremiah McClain, Associate Minister

improve on it! The changes that have been implemented have many purposes, for instance we worship in the sanctuary now with the adults. We want the members to see what SLAM is all about, this is one way to do that. We will be eating together at the start of SLAM to keep a community of fellowship within the program. Our curriculum has been upgraded to offer an easier time for the teachers, but most important to offer a better experience for students to engage with God's word. This only lists a few of the updates, but it is all great! Our purpose is to make a difference in the name of Jesus, these updates allow for that to take place. As we start things back up be in prayer for SLAM, the students, and the volunteers.

SLAM First Night

Space would not allow pictures but there have been many other events and activities in which HCC kids have been involved in while on break. Several went to Camp ACC and learned a great deal. There was a successful VBS here at Hampton with the GAME ON curriculum and very creative teachers of all ages. Continue to keep the youth and their programs in prayer that God will work through them to bring many to glory.

Is there a child in your life of whom you wish to praise? Let Angie Williams or Jeremiah McClain know and they will be recognized in the quarterly newsletter. Newsletter@hamptonchristianchurch.org
