Announcements

Welcome
It's been said, "You cannot do a kindness too soon, because you never know how soon it will be too late." Mark Twain said, "Kindness is the language which the deaf can hear and the blind can see." Our world today is operating with a severe kindness deficit. Everywhere we look it seems we see anger, arguments, hatred, yelling and screaming, protestors, conflict and shootings. Even some Christians have forgotten we are to be characterized by what the Bible calls "the fruit of the Spirit" (Galatians 5:22). "Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control …" Is it accidental or Providential at the center of the nine things listed in that verse is KINDNESS? John Wesley said, "Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can." Inspire someone today with an act of kindness. It won't cost you a thing, but it might be worth the world to them.
