Announcements

Welcome

The Bible makes it clear JESUS is our ONLY hope (John 14:1-6). Its been accurately said, "Life without JESUS is a hopeless end, but life with JESUS is an endless hope." I can't remember a time when there was so much hopelessness, anger, despair in our world. Chuck Swindoll said, "Without hope, prisoners of war languish and die. Without it students get discouraged and drop out of school. Without it, athletic teams fall into a slump and continue to lose … fledgling writers, longing to be published, run out of determination … addicts return to their habits … marriage partners decide to divorce. Hope isn't merely a nice option that helps us temporarily clear a hurdle. It's essential to our survival." It's easy to talk about hope but how can we walk with hope in the troubled times we live in. Paul said the secret to doing it is, "Christ in you, the hope of glory" (Colossians 1:27). The fact is, without Jesus you may be hopeful, but you can't be hope filled. Why? Because Jesus is the Source of hope. The old song says, "My hope is built on nothing less, than Jesus' blood and righteousness." Welcome to H.C.C.
