Announcements

Welcome

What a year and what a mess. If there ever was a time when a nation needed to be in church or a time when the CHURCH needed to be in church, it's this time. Not so we can get our act together, but so we can quit acting like we don't need God. As of Friday, some 595 thousand people died of Covid-19 in America, over 33 million worldwide; or how about the opening prayer on the opening day of the 117th Congress, when Representative Emanuel Cleaver closed his prayer with "Amen and awoman." (Bizarre). Hopelessness abounds, not because of Covid-19 or stupid politicians, but because of the mess we make when we (a nation, individual or group of individuals) attempt to mock or ignore God. It never ends well. Yet the hopelessness we live in is a startling reminder the world doesn't have the answer, But the Church does. His name is JESUS. He is our "Blessed HOPE." He is our "ROCK." In fact, the Apostle Paul wrote these words from prison reminding us of that hope "Rejoice in the Lord always; again, I will say, rejoice. Let your reasonableness be known to everyone. The Lord is at hand; do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus." We have a reason for hope, his name is Jesus. Welcome to H.C.C.
