

WELCOME 3-26-2023

Luke matter in a very direct manner describes the day Jesus died: "When they came to the place called the Skull, they crucified him there" They crucified him! According to historians, crucifixion was one of the most brutal, degrading, and humiliating ways to be put to death. It was Rome's favorite method, intended for the worst criminals. Jesus was crucified at "the place called the Skull," also known as Calvary (from Latin), or Golgotha (Aramaic), a place of many executions, to let us know that his cross stood in the midst of human misery & suffering. Through the cross of Christ, God himself entered into our broken lives in this world. Death on a cross was even cursed by God himself (Deuteronomy 21:23). But this was God's way of saying to each of us, "The curse you deserve is placed on my Son." For those who wonder whether God cares about our suffering, here is God's answer. Look at the cross and reflect on the words "they crucified him there." Be assured that God cares more than we will ever know. He cared enough to let his Son be crucified, taking our place.
