

WELCOME 3-5-2023

Think with me today how exciting it is to serve an unchanging God: He is immutable. We live in a world where morality is constantly evolving. Sins once frowned upon are now celebrated as liberating and legitimate. And those who consider themselves spiritual demand a god who is flexible and accommodating to our ever changing moral standards. But the Bible teaches that God is not susceptible to change. He is unchangeable and unchanging. Psalm 102:25–27 says, *“Of old You founded the earth, And the heavens are the work of Your hands. Even they will perish, but You endure; And all of them will wear out like a garment Like clothing You will change them and they will be changed. But You are the same, And Your years will not come to an end.”* God’s immutability sets Him apart from everything, because everything else changes. The whole universe is changing. Galaxies die and begin. Even the sun is slowly burning out. Our world is constantly changing. The seasons change. We grow old and die, and from the beginning to the end, all we know is change. Not God. He is “the same yesterday and today and forever” (Hebrews 13:8). You and I can hang our hats on that truth and they will remain hanging forever!
