

## WELCOME 4-9-2023

Welcome to Resurrection Sunday here at Hampton Christian Church. Today all over our world millions, perhaps billions of people are celebrating the resurrection of our Lord Jesus Christ. Why do we do it? I recently read a church sign that said “Only three days separated the saddest day in history from the happiest day in history.” How do we explain Jesus, a peasant who never wrote book, never held an office of any kind, never traveled far, who even was betrayed by one of his closest friends and deserted by all the rest, yet after his death they couldn’t resist him? How do we explain that? What made the difference? Well it’s what brings us here this morning and every Sunday morning, He’s not dead, He’s alive! When he died so did our sins. When he arose so did our hope. Our grave was changed from a final resting place to a temporary storage facility. And the reason he did it all was the face you see in the mirror each day. His resurrection cemented the fact the grave is powerless over his followers. If that’s doesn’t light your candle maybe you need a new candle. His is the story of life, of his own and for every one of his children as well. So celebrate with us this Resurrection morning as we praise the Lord together. Welcome to H.C.C.
