**WELCOME**

On the last Monday of May, (Tomorrow) Americans celebrate Memorial Day each year. It is a day that has been set apart to remember Americans who have given their lives in the defense of their country.

They died protecting our country, so we might continue enjoying peace and prosperity, freedom and democracy, and the ideals of “life, liberty, and the pursuit of happiness.” There are many reasons I suppose, but today there is a diminished stature of this once grand holiday. For most people, this special day just signals the beginning of summer, celebrated with picnics and the opening of pools. It has become a day for sales and paid time off from work. I enjoy all those things but find it sad that Memorial Day has largely lost its meaning. We should be glad we still have the Memorial Day holiday to remind us that our freedoms are not free. As I think about those who died protecting our freedoms in America, I am reminded of the King who came to free us from servitude to sin and its consequences. Christ did battle with Satan and the children of darkness, ultimately paying price of death on a cruel cross. Jesus voluntarily laid down His life to pay the wages of our sin (Romans 6:23), so we could be saved from wrath and have eternal life. Our Lord Jesus Christ calls us to carry on the fight as soldiers of the cross, wearing His righteousness while doing battle with sin. We are called to don the whole armor of God (Ephesians 6:11-17) and do battle with the devil and his minions. We are called to be salt and light (Mt 5:13-16) in a dark world, revealing the truth of God and the way of salvation, rescuing the lost from their sin and eternal death in hell. I encourage you to remember the meaning of Memorial Day and honor the memory of the soldiers who died for our country. I encourage all Christians to remember Christ’s death on the cross to pay for our sin. Welcome to H.C.C.
