

WELCOME 8-13-2023

Today maybe more than ever, *“We need the timeless truths of God’s Word to make sense of this crazy world. But Scripture not only explains what is really going on—it also fills us with hope as God works His sovereign plan to its ultimate, glorious conclusion.”* As Christians, we know we’re called to be salt and light in the world (Matthew 5:13-16). But are you ever discouraged or underwhelmed by what little difference your life seems to make? Are you concerned that your influence as salt and light might not reach very far or go very deep? We have not been call to lead a political revolution or even turn our world into a Theocracy. The church will really change society for the better only when individual followers of Christ make their chief concern their own spiritual maturity, which means living in a way that honors God’s commands and glorifies His name. Such a concern undoubtedly will include a firm grasp on Scripture and an understanding that its primary mandate to us is to know Christ and proclaim His gospel. A godly attitude coupled with godly living makes the saving message of the gospel credible to the unsaved. If we claim to be saved but still project proud, unloving attitudes toward the lost, our preaching and teaching—no matter how doctrinally correct or politically savvy and persuasive—will be ignored or rejected. Living as salt and light in the world is not just about confronting the deadness and darkness of society. It’s about living lives that adorn the gospel—that testify to God’s transforming work, and exemplify integrity, humility, and self-sacrifice. Not only do we need to preach Christ, we need to reflect His character to the world. Welcome to H.C.C.
