

## WELCOME 2-18-2024

Last week we established the fact; *Homosexuality is Sin!* Some would argue that a person's sexual desires are simply a private matter. Does it really matter what people do in the privacy of their own homes? Of course we know it does matter. Gone today is any sense of restraint or social propriety. The sexual revolution of the 1960s and '70s did not usher in a new era of enlightenment. Instead, it popularized promiscuity and unleashed a tidal wave of perversion into the culture and just as Paul explains in Romans 1, sexual revolution inevitably leads to a homosexual revolution. *"For this reason God gave them over to degrading passions; for their women exchanged the natural function for that which is unnatural, and in the same way also the men abandoned the natural function of the woman and burned in their desire toward one another, men with men committing indecent acts and receiving in their own persons the due penalty of their error.* (vv. 26–27) As sinners reject God's creative authority, they also reject His creative order. They abandon their natural function in order to pursue the fulfillment of their twisted lusts. Paul concludes by describing the other features of a society given over to idolatry and immorality. "And just as they did not see fit to acknowledge God any longer, God gave them over to a depraved mind, to do those things which are not proper, being filled with all unrighteousness, wickedness, greed, evil; full of envy, murder, strife, deceit, malice; they are gossips, slanderers, haters of God, insolent, arrogant, boastful, inventors of evil, disobedient to parents, without understanding, untrustworthy, unloving, unmerciful; and although they know the ordinance of God, that those who practice such things are worthy of death, they not only do the same, but also give hearty approval to those who practice them. (vv. 28–32) To be clear God giving them over to a depraved mind is God's Judgement. Is there hope for the Homosexual? YES! Next week we'll see the answer.
