

WELCOME 5-12-2024

We often say we believe in God's design for our family, for our church and for our community, but do we? In Proverbs 24 we read *"It takes wisdom to build a house, and understanding to set it on a firm foundation; It takes knowledge to furnish its rooms with fine furniture and beautiful draperies. It's better to be wise than strong; intelligence outranks muscle any day."* What is Biblical

Wisdom? The Bible defines wisdom as deriving from a relationship with God Himself. The Fear of God is a prerequisite to wisdom. If I may let an old man share a little wisdom shared with me about these things. First we say we believe in our family but do we. If we then show up! Show for our kid's games, show up at their recitals and plays. I know it may not be possible to be perfect here but I assure you you'll never regret being there. We say we believe in the church but do we? If we do then show up! Every Sunday ought to include the church when possible. Almost every church including this one can use and desperately needs your gifts and talents. But if you're not faithful it falls to others. Show up for God's family! You'll never regret it. We say we believe in our community, neighbors and friends. If we do then show up! Show up on their doorstep and sit on the porch once in a while. Show up when they are sick and hurting, show up when trouble has visited them. Show up for your community, you'll never regret it. I don't know the percentage but the vast majority of fulfilling God's plan for your family, for your church and for your community is simply showing up! Glad you're here today and thanks for showing up, it's the wisest thing you could have done. Welcome to H.C.C.
